COMPARISON AND REFERENCE

When compared to local broadcast & cable TV – airing your TV commercial on LIVE streaming services like free-advertiser-supported-television (FAST) offers PREMIUM content shown on this sheet and most commercials are non-skippable.

Trademarks and collateral use: Rock Advertising LLC is not sponsored, does not own or suggest that any company shown has a nydirect relationship with us, affiliation or has given any approval. Each media plan we develop uses various platforms, networks and content and we have relationships with our vendors and suppliers.
